ABOUT JPL WARRIORS

The Junior Premier League has a passion for equality and believes that all girls should have the same opportunities as boys. To do this we created our own girls league called JPL WARRIORS.

The JPL WARRIORS league has increased by over 300% since 2021 and features teams such as Manchester City, Manchester United, Liverpool, Chelsea, Arsenal, Brighton, Everton, Leicester, Tottenham Hotspur, West Ham, Crystal Palace, and AFC Bournemouth.

The Junior Premier League is committed to increasing participation in girls' football through an exciting 'best with best' program that continues to provide girls with the platform to develop and excel in girl's football.
